The Student Council is a very active and important activity in our school. The Council acts as a link between the students and the faculty. It has sponsored such activities as the "Sock Hop," the "Buzz Book," and the Student Supply Store.

Early last year our Student Council began working on a challenging project which would not only benefit our school but the community as well. The council members began plans to bring a foreign exchange student to our school.

After the council members found that the student body was very interested in the project, the Student Council began making the necessary arrangements to complete the project.

First, the American Field Service, a student exchange organization, was notified of our interest in its program. Next the project was presented to the Wood River Rotary Club to get financial aid on the undertaking. The third step was to organize a local American Field Service Chapter. This chapter was established through the cooperation of the Student Council and the Rotary Club. Finally, our American Field Service Chapter had to raise $650, the set fee for all A.F.S. student exchange programs. Five hundred dollars of this amount was raised by our Student Council, part of which was made possible by a donation from the Big Sisters and the Student Council's share of the Coronation fund.

Our local A.F.S. Chapter selected a family to act as a host for the foreign student. The family had to meet qualifications set by the New York office of the A.F.S. chapters. The home selected by our local chapter was that of Mr. and Mrs. Fred Maneke of East Alton.

In recognition of their work we dedicated the 1960 - 61 Oiler to the Student Council.

DEDICATION

Jim Maneke, Alfredo Nicoli, Lewis Mennerick.

Alfredo Nicoli, our foreign exchange student, was born in Polesella, Italy, on October 25, 1943. His parents' names are Giovanni and Laura Nicoli. Other members in his family are his sister, Vicoletta, and a brother, Sergio.

Before coming to our country, he went to a Scientifical School. We asked Alfredo some questions which we thought many students might be interested in. The following are the questions we asked and the answers he gave:

QUESTION: What do you like most about our school?

ANSWER: I like most the many clubs, the sports activities, and mostly the election of queens.

QUESTION: What do you plan to do when you return to Italy?

ANSWER: I plan to attend my last year of Scientifical School.

QUESTION: What do you want to do in the way of an occupation?

ANSWER: I have not decided the degree I'll get. I plan to go to college, maybe to Bologna University.

QUESTION: What American foods do you like most?

ANSWER: I got accustomed to all American foods (except chili), but I think the best are hamburgers, hot dogs, and cherry-pie.

QUESTION: What is the greatest difference between your school and ours?

ANSWER: We have many kinds of high schools, many of which can be considered as vocational schools. We go to school four hours a day, Saturday included. We don't have the same subjects everyday, so we can carry twelve subjects. Students cannot choose the subjects; they are compulsory. Boys are not allowed to wear blue-jeans or sport jackets. The main sports are socker and basketball. Teachers give grades with numbers instead of letters. Everything is not different; as boys go to the same classes with girls. We can be suspended if we are bad. In Italy, as in America, the tests are not the preferred things.

"All right, team; let's get one thing straight. We have a dead line to meet and we're going to meet it if it means no sleep, no Christmas dinner, or no Christmas holiday. We're going to get this book to the publishers! Let's get to work!"

This was the talk made by Mr. Strohman at the organization meeting of the Oiler Yearbook Staff. We want to tell you he was not kidding; and since we knew he wasn't kidding, we have worked to get the annual out on time.

The Oiler Staff is divided into two main staffs, the layout staff, and the business staff. The layout staff, supervised by Mr. Strohman, is subdivided into smaller staffs which are the photography staff, the writing staff, organizations and activities staff, classes, art, typing, and sports staffs. The business staff, supervised by Mr. Cozad, is in charge of selling ads to the various businesses around in the area.

FINE ARTS & HOMEMAKING

The Fine Arts Department embraces four educational areas of our school. They are: the Homemaking Department, the Art Department, the Vocal Music Department, and the Instrumental Music Department. Through their varied course offerings these areas contribute greatly to the cultural enrichment of the student. This enrichment is developed through extensive participation in school and community activities.

The achievements of the Fine Arts Department are highlighted by the April presentation of the Fine Arts Festival. This colorful production presents a climax to the activities of the Department.

We also have available for high school graduates a two year full time Electronics Technician Program. This program is of college level instruction.

MATHEMATICS

FAVRE GOULD, A.B. and M.A.
Blackburn College; James Milliken; and Washington University
Trigonometry, Algebra, Geometry, Head of Mathematics Department.

Mathematics has been called the queen and handmaiden of the sciences. A great majority of students feel at greater ease when she appears in the garb of a handmaiden, rather than in the regal finery of a queen. We try then, to present her as much as possible as the handmaiden of the scientific age in which our students will live.

Our greatest problem has been to overcome the average student's idea that a study of mathematics requires a special talent and that mathematics beyond the elements of arithmetic is of little or no value to him unless he is planning to become a scientist or engineer. We make every effort we can to associate mathematics with experience and common sense and make our students realize that understanding of principles is more important than development of skills. Machines may replace many types of workmen, but machines will never replace mathematics.

CORONATION OF THE HARVEST QUEEN 1960

The setting for the thirty-third crowning of the Harvest Queen was "In a Persian Market." The court room was decorated in a Persian style. Boys from the Gymnastics Club were the slaves, and girls from the Drill Team were women of the harem. Miss Sandra Wenzel danced for the royal court. The band and choral ensembles also provided entertainment.

The royal maids were the Misses Rosalie Robison, Judy Berry, Marilyn Ballard, and Geraldine Campbell. When the hour arrived for the crowning of the queen, the Royal Minister summoned to the throne room the new Queen of the Harvest . . . . .

WOOD CATS

The Wood Cats, the jazz band in our school, has a membership of six "chicks" and seven "cats". Under the direction of Mr. Hughes, this group plays at home basketball games and at other functions of the school.

The theme song of the Wood Cats is "Baby Sitter's Blues". Some of their favorite numbers are those composed by Art Dedrick, such as, "ABC Boogie", "Prom Jump", and "Lullaby of Bird Land".

Sherry Hensley, Dwight Kistner, Lewis Mennerick, Bill Odle, Mike Rice, Billie Schillinger, Joyce Schillinger, Judy Schillinger, Jim Stark, Deno Tsimpris, Ruth Wills, Marcia Worthen.

MAJORETTES

Judy Carlton, Janet Allen, Jane Coale, Billie Schillinger, Lydia Holder, Sherry Hensley.

No Marching Band is complete without Majorettes. Wearing white boots, white shorts, coats trimmed in maroon, and gold top hats, the Majorettes lead the band with their high-stepping, lively routines.

One of the most active organizations in our school is the band. This organization is really two groups in one, a Marching Band and a Concert Band. In the fall, during football season, it is a Marching Band which gives a pre-game routine and a half-time performance. This year the Marching Band also took part in the East Alton United Nations Parade and in the East Alton Halloween Parade.

The Concert Band presents an annual concert in February, performs at the Fine Arts Festival in the spring, and plays at graduation. This year the Concert Band also performed at Coronation.

Advanced members attend the Madison County Sight Reading Clinic in November, and in March they attend the All-County Music Festival.

This year the band is planning a trip to Naperville, where they will visit the members of the Naperville High School Band.

OILER SQUAD

VARSITY FOOTBALL

The 1960 East Alton-Wood River Community High School Oilers won four of their nine games this season. One of the biggest highlights of the year was the near upset of the highly rated East St. Louis Flyers, who had a seven and one mark at the time of the game. The Flyers had to come from behind to nip the Oilers 19 to 18. They scored their one point victory in the fourth quarter with 1 minute and 10 seconds left to play. Another thriller was the Homecoming Game against the Granite City Warriors. The game was scoreless through three and one half quarters, and it looked like it would end in a scoreless tie. Late in the fourth quarter however, the Oilers put together a successful drive and made six points to win the game.

Several members of the team received special honors. Gary Lane was chosen best quarterback for the All District Team, along with special honors from the Elks Quarterback Club. Elks Club honors were given to Bob Borman, John Heck, Larry Strahan, Ted Minor, Eugene Biciocchi, Larry Hinson, Jim Maneke, and Dale Lippert.

The J. V. team had a good season this year, winning four of their five games. The team gives part of the credit of their strength to the scrimmage (or practice) against the varsity team each week. This practice also gave the J. V. team training they need to step up to the varsity next year. The J. V. squad is composed mostly of junior and sophomore boys.

FRESHMAN FOOTBALL

The freshman football team made a good showing this year. The team members won four games, lost three, and tied one. They won the last four games in a row and scored one hundred points to thirteen points.

There were thirty-three boys on the team. All were of a good size and had speed. The best game they played was with Bethalto. One of the games they lost was against Southwestern. The score of the game was six to zero, and Southwestern used sophomores and juniors.

Ninteen letters and two manager's letters were awarded at the fall dinner. "Prospects for the future team are very good," says Coach Pyle.

Row One, Left to Right: Bob Haufe, Gary Ray, John Hern, Jim Searcy, Don Jennings, Terry Jones, Warren Vance, Dennis Doerr, Allen Strake. **Row Two:** John Kassak, Don McKearn, Alfredo Nicholi, Gary Wintjen, Melvin Bunting, Gary Worten, David Pizzo, Ronald Orr, Jim Edwards, Doug Oetting. **Row Three:** Wayne Hunt, Louis Spano, Mike Seward, Leo Spano, Mike Robinson, Sam Harris, Bill Haufe, Denny Sparks, Dennis Morgan, Danny Morgan. **Row Four:** Don Neece, Wayne Yoder, Jim Kanter, Ken Schnider, Richard Braden, Joe Costanzo, Larry Lipe, Tony Kusmanoff, Tom Wimberly, Mike Kadell. **Not Pictured: Manager,** Wally Link.

WRESTLING

Our Wrestling squad is led by two sectional champs of 1959, Don Neece at 165 pounds, and Tony Kusmanoff at 133, who got 6th in the state finals. Another member of the team, Dennis Morgan, placed 4th at state. Don Neece and Dennis Morgan, are wrestling at their same weight this year, and should do very well. Although Tony Kusmanoff has moved up to weight division, he will continue to be one of the best wrestlers in this area.

The returning varsity lettermen who are doing good this year are Danny Morgan in the 95 pound bracket with a 3 - 0 record, Dennis Morgan at 1 - 3, with 3 - 1, Denny Sparks at 112 with 0 - 2, Michael Bandy at 120 with 0 - 0, Joe Costanzo at 127 with 1 - 2, Larry Lipe at 127 with 2 - 0, Tony Kusmanoff at 133 with 3 - 0, Tom Wimberly at 138 with 1 - 1, Wayne Yoder at 175 with 1 - 2, Richard Braden at 154 with 1 - 1 - 1, Mike Seward also at that weight, Don Neece at 165 with 4 - 0, and Jim Kanter at 180 with a record of 3 - 1. Other boys who are not varsity lettermen are Warren Vance, Gary Worthen, Art Tite, Sam Harris, Bob Haufe, Bill Haufe, Dennis Doerr, Leo Spano, and Louis Spano.

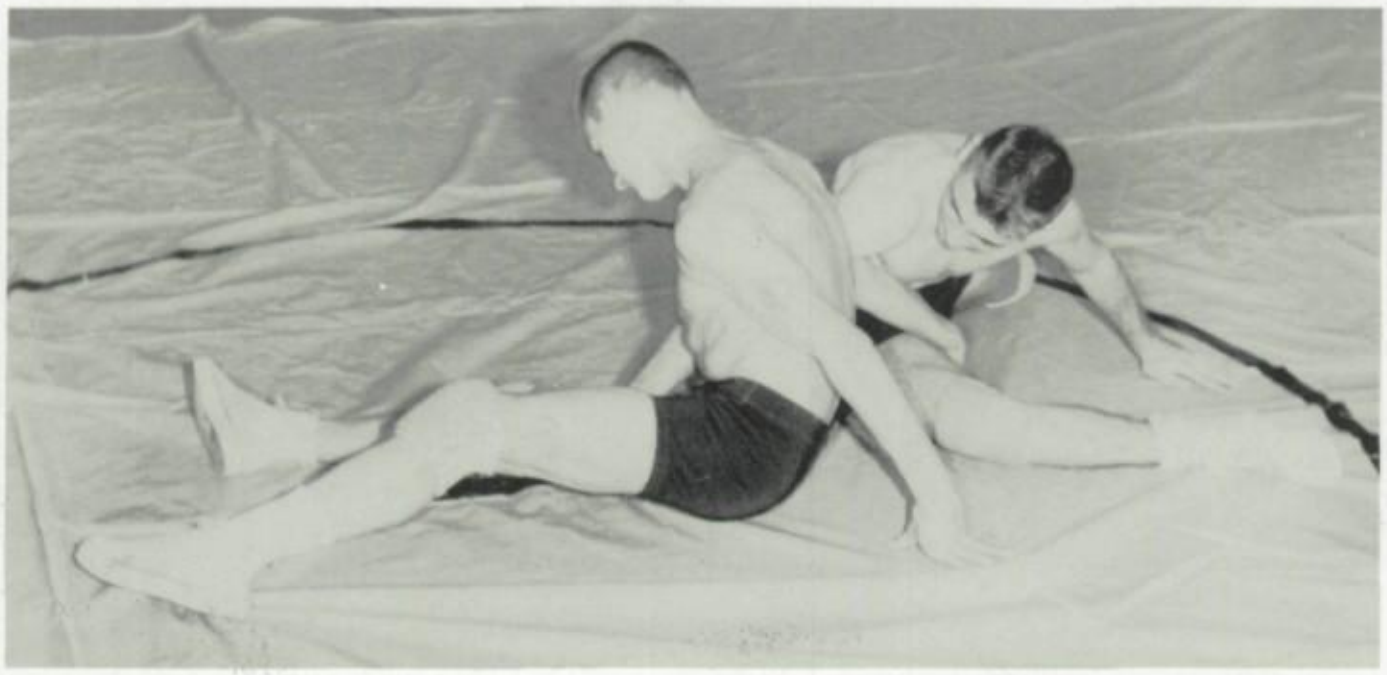
The Oiler Matmen won their first three matches, defeating Roxana 29 to 17, Belleville 40 to 15, and Western Military at 40 to 17. The only loss the boys have thus far in the season was to Granite City by the score of 16 - 32. The wrestlers next match is with Edwardsville, which is known to have a fairly good team.

Costanzo works figure 4 on Nicoli.

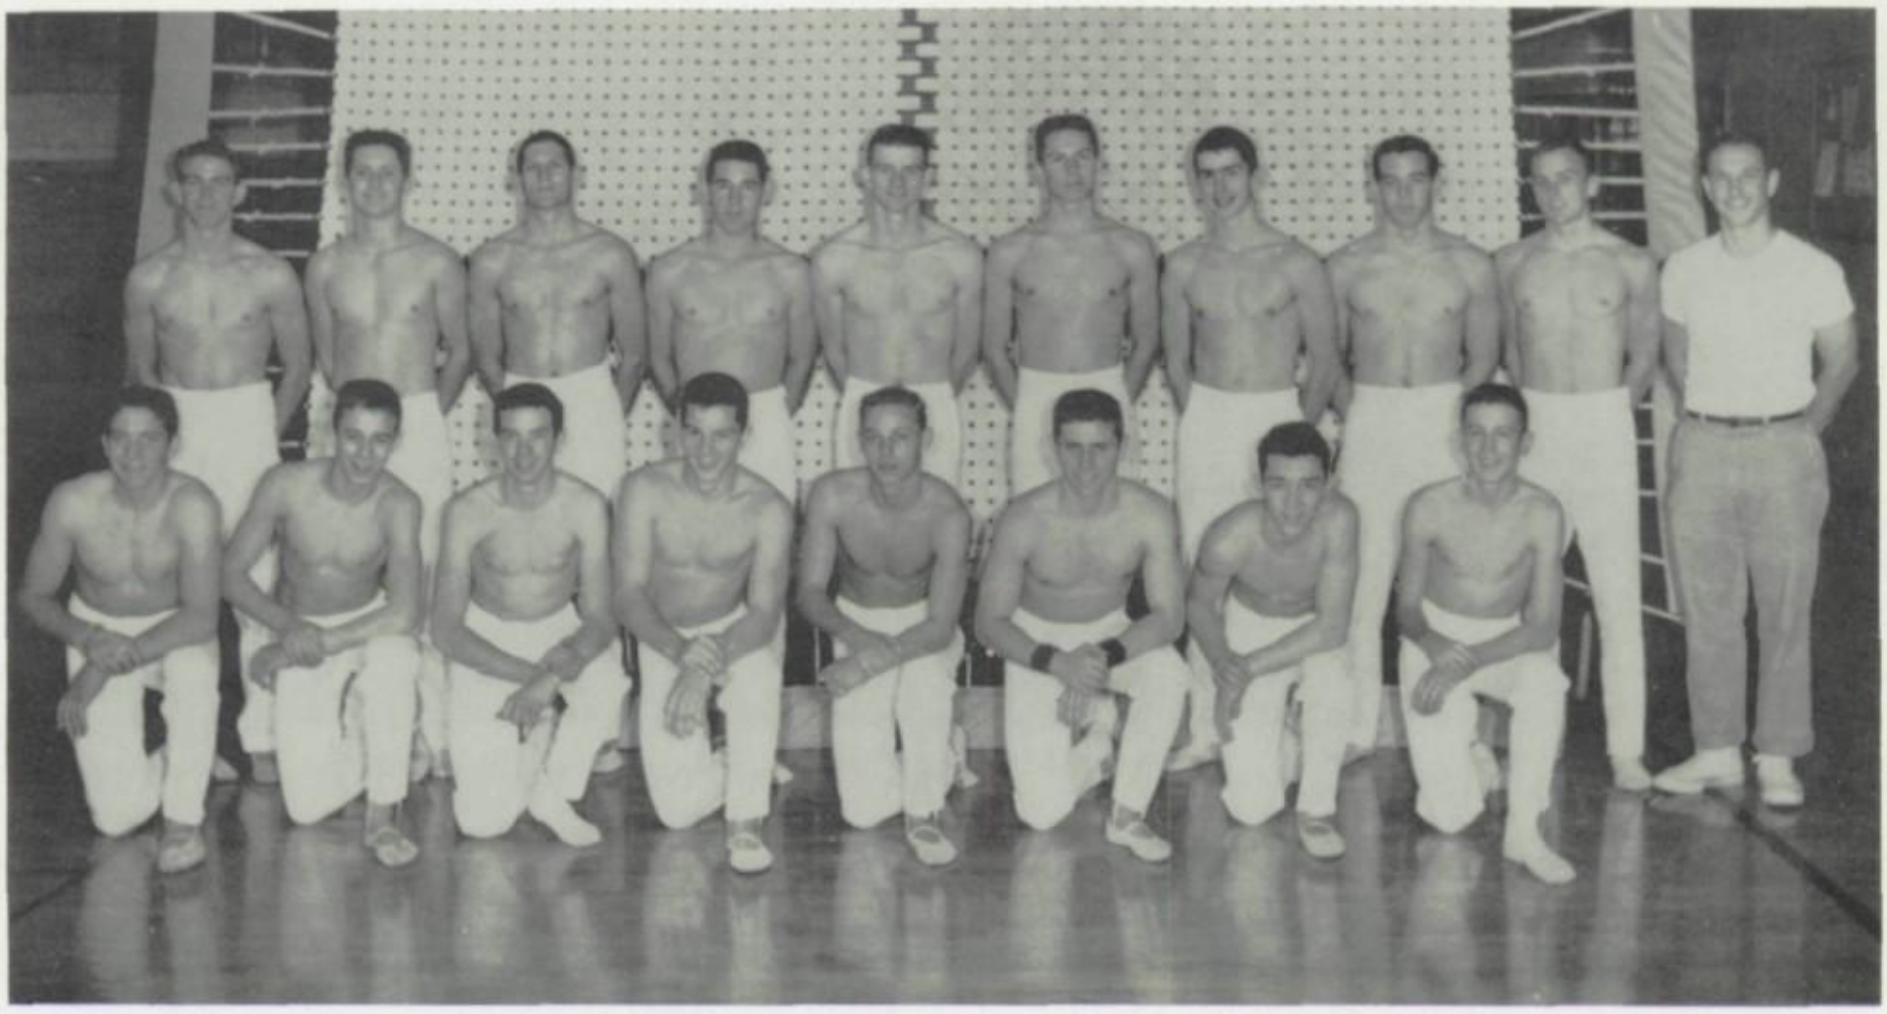
Braden rides Yoder.

"The battle of the brutes, Kanter over Neece."

Kusmanoff switches Lipe.



VARSITY GYMNASTICS



Row One, Left to Right: Gary Perkins, Don Houser, Robert Orr, Jim Angel, Gary Cooper, Paul Butkovich, Ronald Saragusa, Phil Enloe. **Row Two:** Burtis Rister, Jerry Berry, Colen Cooper, David Smith, Frank Ruecker, Frank Essary, Bill Stogsdill, Jim Pyle, Richard Bickmore.

Although one of the oldest sports in history, gymnastics at the high school level is very rare. The East Alton-Wood River Gymnastics Team was organized at first as a club and last year was in an experimental stage. This year thanks to the hard work and efforts of the team members, this sport has advanced to the point of being added to the school schedule as a new interscholastic sport. According to Coach Cates, "The boys improved more in one year than most gymnasts at the same age level would in two or three years.

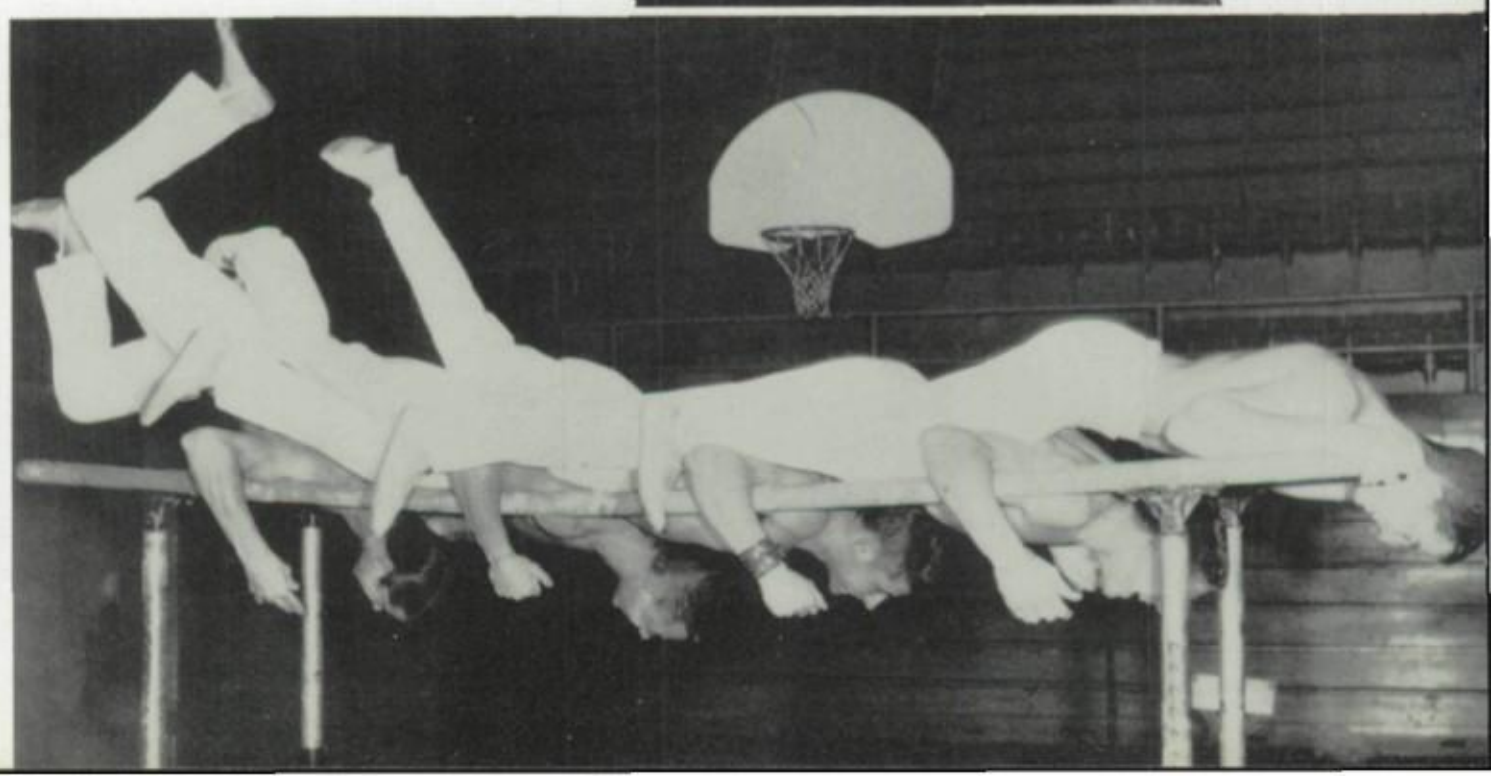
This year's season started out with nothing but bad breaks. Larry Hinson, co-captain and possible state champion on the trampoline, was sidelined with a broken leg. Gary Cooper, our other co-captain, was out of competition for two weeks with a badly cut arm. Despite these handicaps, the team had a successful season.

Competition in gymnastics in our part of the state is very hard to find. Last year the team had four practice meets, winning two and losing two. Both losses came at the hands of Roxana. In the first meet, we were defeated by some forty-eight points. In the next meet with Roxana, we lost by only two points. Since we were about two or three years behind Roxana, our showing was very good.

Outside of the regular schedule this year, the team gave exhibitions at several basketball games, including the tournaments.

JUNIOR VARSITY

Row One, Left to Right: Mike Maloney, James Blaine, Bill Weshlinsky, Kerry Knowlson, Terry Haydon, Glen Olsen, Bob Horne. **Row Two:** John Retzer, Mike Shaw, Gary Griffeth, Charley Mencheny, David Gunner, Jim Batson.



VARSITY
BASKETBALL

Row One, Left to Right: Coach Robinson, Mike Ufert, John Heck, Francis Eaton, Warren Waters, Lowell Brown, Sam Ladd, Coach Horton. **Row Two:** Dean Boren, Ronald Milligan, Bob Blackledge, Larry Strahan, Bob Borman, Gary Lane, Paul Ritter.

The senior lettermen playing for the Oiler basketball team this year are Gary Lane, John Heck, Larry Strahan, Mike Ufert, and Bob Borman.

Five games have been played so far and the Oilers record stands 3 - 2. The three victories were the games with Bethalto, the Feitshann of Springfield, and McKinley. The two losses were with Belleville and Edwardsville. It looks as though a fairly successful season is ahead for our Oilers.

WE'RE GOING WITH YOU

Whether you know it or not, almost every day of your school year you've used a product made by Olin Mathieson, or one that Olin Mathieson helped to make.

Once you're established in your life's work, you'll probably hear a lot more about Olin Mathieson. A good many of you may have business with us, and a few of you may even come to work for us. There will be room because Olin Mathieson is growing. When Olin Industries, Inc. merged with the Mathieson Chemical Corporation in August, 1954, they brought together the skills, facilities, and resources of two of the country's most rapidly expanding industrial organizations.

We extend our best wishes to you. May the future bring you all you've hoped for and everything for which you have worked.
